

Parking and Traffic

1. The purpose of these regulations is to reduce traffic congestion and facilitate orderly parking. The Alabama State Motor Vehicle and Traffic Law is also in full force on the campus. Wallace State Community College establishes fees and fines for parking on the campus.
2. Students must register vehicles routinely driven on campus. Registration information includes student number, driver's license number, make and model of vehicle, and tag number of vehicle.
3. At the time the vehicle is registered, the College will issue a hanging decal. It should be facing forward on the inside rear-view mirror. Only the current decal should be displayed. Additional hanging decals can be purchased for \$5.00.
4. Drivers are responsible for finding an authorized parking space.
5. A parking permit does not guarantee the holder a parking space but only an opportunity to park within a specified parking area. Ownership of the parking permit remains with the college.
6. Abandoned vehicles left over 14 days, are subject to removal from campus.

Once a determination has been made the results will be mailed to the student's address listed on his/her Admissions records.
