Credit for Military Training and Educational Experiences

Military Training

- Credit for courses taken while in the military will be evaluated according to nationally recognized guidelines, e.g.
 Defense Activity for Non-Traditional Educational Services Support (DANTES) and/or American Council on
 Education (ACE) guidelines.
- 2. The student is responsible for having the scores sent to the Office of Admissions.
- 3. Credit for courses with acceptable scores will be posted to the student's transcript.

Articulation Agreements

- 1. WSCC has agreements with several school districts whereby the students of their Technical Career Centers may receive credit for the technical courses completed at these locations.
- The high school graduates who have completed the Career/Technical Program at these high schools, maintained a
 B average in their high school career/technical core courses, and enrolled at WSCC may receive up to one
 semester of technical credit as determined by the individual program agreements.
- 3. Skills tests will be administered by the WSCC Instructors in those programs that require testing.
- 4. Credit for courses with acceptable scores will be posted to the student's transcript as transfer credit.

Challenge Exams

- 1. Approved course exams may be given by the departments to assess skills.
- 2. Upon successful completion of these exams, credit may be transcribed with an "S" grade upon payment of tuition and fees (https://www.wallacestate.edu/ecoa) for the course tested.
- 3. In certain instances, a waiver of course requirements may be appropriate. The Division Dean will evaluate requests according to curricula and determine whether to waive course requirements.

Portfolios (PLA)

- 1. Documentable training, certificates, or skills.
- 2. Comprehensive collection of qualifications.
- 3. Forms and information are available from WSCC Prior Learning Coordinator.
- 4. Portfolio describes experience and student request review for possible credit.
