HIT 296: Professional Practices Simulations

This course allows students to correlate the experience of previous courses with on-site, online, and on-campus simulations and learning experience. Emphasis is placed on application of all previous course work and orientation to all aspects of practice in a health information management department of a health care facility. Students competency is demonstrated by application of skills covered in theory and laboratory classes.

Credits: 2

Transfer Code: Code C

Lab Hours: 2
