At a Glance

The Business Administration Program is designed for students who wish to pursue a four-year degree in a business-related area such as Accounting, Economics, Finance, Management, or Marketing. General Education Core courses and Professional Core courses are taken at WSCC and then transferred to a four-year institution. As students progress through the curriculum, contact must be made with the four-year (senior) institution to ensure that guidelines are met for transfer.

Alabama Transfers will provide very specific transfer information to specific majors at each state-funded four-year institution. Once a student chooses a major and a place of transfer, an individualized guide and contract can be created. The website can be accessed online at <http://alabamatransfers.com>

NOTE: *Students must check with their senior institution to determine which courses they require for all courses.*

PSY 200, HIS 201, BIO 103, ENG 261, PHL 206, PHS 211, MUS 101, and ENG 262 may be substituted per Business advisor's approval.
