

Admission

Wallace State Community College maintains an “open door” admissions policy that provides higher education for individuals who meet minimum admission requirements as set forth by the policies of the Alabama College System.

Admission to the College does not guarantee entrance into a particular course or program. Some programs have specific admission requirements. Requirements for admission to certain programs, such as the health programs, are found in the appropriate (Academic Programs, Health Sciences, and Career/Technical Programs) section of this catalog.

General Admission Information can be found at
