

Admission Status

Upon enrollment, a student's status will be indicated by one of the following designations:

Unconditional Student

A student who has completed all of the admissions requirements, participated in the College's academic assessment program (unless waived by College policy), and has been accepted into or is pursuing a program of study leading to an associate degree or certificate.

Conditional Student

A student who has not submitted all required admission documents to the Admissions Office and/or who has not participated in the College's academic assessment program (unless waived by College policy), and who is pursuing a program of study leading to an associate degree or certificate. This student may not register unless all required admission documents are on file in the Admissions Office and/or the academic assessment program has been completed. Conditionally admitted students cannot receive financial aid.
