

Federal Supplemental Educational Opportunity Grant (FSEOG) and Federal Work-Study Campus-Based Aid

A Federal Supplemental Educational Opportunity Grant (FSEOG) is for undergraduates with exceptional financial need. This grant does not have to be repaid unless student totally withdraws from class. This grant does not have an application process.

The purpose of the Federal Work-study program is to stimulate and promote part-time employment opportunities for students with demonstrated financial need. Students work part time on campus while attending college. Most students work between 10 to 18 hours per week and are paid minimum wages. Federal Pell Grant application is required. Eligibility for campus-based aid at Wallace State Community College will be determined by the following:

- a.** Students must have their aid applications and approved Student Aid Reports on file in the Financial Aid Office.
- b.** Students must demonstrate financial need and exhibit academic promise.
