

Student Dress Code

Wallace State Community College expects all students to use mature judgment in their personal dress and hygiene while on campus. One of the major objectives of Wallace State Community College is to aid students in preparing themselves to secure and maintain professional employment. Students are required to dress and maintain personal hygiene that would be appropriate to the occupations and professions for which they are training. Therefore, all program directors and instructors must make interpretations of proper dress and hygiene for their classroom setting. Instructors have the right to refuse students into class for dress code or hygiene violations. Any student, faculty member, department head, or staff member that has questions concerning proper dress and hygiene should contact the Vice President for Students.
