

Student Support Services (TRIO)

Student Support Services is a U.S. Department of Education TRIO program located on the campus of Wallace State Community College. This program strives to help students who are low-income, first-generation college students, and/or disabled. Services include academic advising, career counseling, transfer counseling, financial-aid counseling, four-year college visits, and academic tutoring. For more information or to apply for this program, contact the offices of Student Support Services at 256.352.8073.
