

Waiver of Access

Wallace State Community College may request that a student waive the right to inspect confidential recommendations regarding his/her application for admission, application for employment, or the receipt of an honor or other recognition.

If a student receives a request for waiver, the student may sign and return the waiver, may request a list of the names of persons who will be asked for recommendations before signing, or may refuse to waive the right to access. Such a waiver shall not be a condition for admission to the College, for financial aid assistance, or for any other benefits received by Wallace State Community College students.
